President's Message

Over the years many people have asked why we collect Falcons. There are probably many reasons, but it usually boils down to the fact that we just plain like 'em.

When you talk with people about collector cars, they think of cars with low production, unique features, expensive price tags, etc. Falcons differ from many collector cars because they were popular and economical. Everyone in the free world has either owned or had a friend or relative who owned a Falcon.

The Falcon has played a major role in automotive history.

- The Falcon is Ford Motor Company's original compact car and the best of the compact cars of its era.

- The Falcon is the grandparent of many of the automobiles produced during the '60s, '70s, and even into the '80s. Without the Falcon, would there have been a Fairlane, Mustang, Torino, Maverick, Granada, not to mention our Mercury family members the Comet, Cougar, Montego, and Monarch? What about the Fairmount and the Zephyr?

- The Falcon was produced in the following body types:

- 2-Door Sedan

- 4-Door Sedan

- 2-Door Station Wagon

- 4-Door Station Wagon

- 2-Door Hardtop

- 2-Door Convertible

- Pickup (Ranchero) - America's first mini-truck?

- Sedan Delivery

- Van (Club Wagon) - America's first mini-van?

- The Falcon Sprint was introduced in 1963. With a small block V8 and 4 on the floor, it was the forerunner of the muscle cars and the pony cars.

Falcon's historic value is its contribution to the American Compact Car Industry.

Newsletter Update - The details are still being ironed out, but expect something no later than April.

Rosters to Ruby - To the Chapters that have sent their rosters to Ruby, thanks; to the Chapters that have not sent their rosters, please do so.

See Ya'll in Orlando,
Steve and Carol

P.S. The 1997 Membership Roster is being prepared. Please send any address updates to Ruby.

18th National Convention

Suncoast Chapter President's Update

I hope everyone is busy making plans for their trip to Florida to attend the Eighteenth National Convention of the Falcon Club of America to be held in Orlando, Florida, on July 17-19, 1997. The members of the Suncoast Chapter are working very hard to make this the biggest and best National Convention ever.

As was mentioned in last month's update, there are numerous attractions to visit in the Central Florida area. The most popular attraction is Disney World which is a short 30-minute drive away. During the summer months the park has extended hours of operation (closes at midnight). The next most popular attraction is the Kennedy Space Center which is a 45-minute drive. There is a lot of history to see at the Space Center and it's fun for the entire family. We will feature other area attractions in future issues.

Classes for this year's event will be very similar to last year's: 25 classes made up from Stock, Modified, and Street Driven Categories plus a Masters Category. In addition there will be awards for Longest Distance, Ladies' Choice, Oldest Falcon and People's Choice (3).

We encourage everyone to register as early as possible to assist us in planning for this event. Pre-registration is very helpful in establishing classes and determining how many trophies are needed. We have established a cutoff date of June 1 for early registration, and anyone registering prior to that date will be eligible to win one of several prizes to be given away.

We are looking forward to seeing all of you in July in Orlando!

Chuck Beason

Music City, USA

The Music City Chapter of the Falcon Club of America will be hosting their first Regional Meet on Memorial Day Weekend, May 23 and 24, 1997, in Music City, USA, Nashville, Tennessee. The meet will be held at John Andretti's Car-B-Que in the Music Valley Village Shopping Center across from the Opryland Hotel.

Hotel accommodations are available on site at the Fiddler's Inn at the rate of \$60.97 and just across the street at the Ramada Inn at the rate of \$82.00. The Ramada Inn offers many more amenities and will also be the site of the awards presentation and banquet on Saturday evening. Room reservations must be made prior to April 18, 1997, to guarantee these rates. Please call the numbers listed on the registration form and book your rooms now.

We would also appreciate your early registration for the car show since classes, swap spaces, banquet space, etc. are best determined based upon pre-registration. If registered by April 1, 1997, your name will be entered into the drawing for a 19" remote control color TV.

As you can imagine, Nashville has lots to offer — theatres offering several different venues of entertainment, tourist shops, Factory Stores of America (OUTLET MALL within walking distance), Opryland themepark, the Opryland Hotel, lunch and dinner riverboat cruises, The Grand Ole Opry, The Parthenon, and the list goes on and on. Most attractions are within easy access of the meet site, and you can also board a river taxi and cruise on the Cumberland River downtown to historic Second Avenue where you'll find the Ryman Auditorium, Wildhorse Saloon, Planet Hollywood, Hard Rock Cafe and much more. Once we receive your registration form, we will return a confirmation letter along with flyers on Nashville activities. You may also call Nashville Visitor's Services at 615/259-4700 for more information about local attractions.

This Regional Meet promises to be one of the best yet. Thursday and Friday will be exciting as show entrants arrive, clean, and set up for their fun Falcon weekend. Friday night will be special as several local Ford and Brand X car owners arrive for the weekly Friday night cruise-in at Andretti's. Saturday will be full of entertainment with kid's games and the usual "Falcon Gawking"; the banquet will feature special guests (whose identities can't be disclosed yet), good southern food, great entertainment, and the awards presentation. We will close on Sunday, and for those of you who want to hang out and catch the NASCAR race on TV, we have the hospitality room open for the day. Remember, Monday is a holiday, so you can drive home then.

The Music City Chapter and Nashville, Tennessee, are ready and willing to make you feel at home and promise to provide an excellent vacation spot. Make your plans now to attend! We hope to see you all there!!!

Chapter News

Notes from All Over

The *Founder's Chapter* held a potluck meal and Christmas party in the beautifully decorated home of Roy and Pat Sword. Gifts were exchanged among the 17 present. There was plenty of food and fellowship, and everyone had a good time. Officers for the new year were elected: Roy Sword, president; J.B. Fielding, vice president; Ruby Throgmorton, secretary-treasurer. Several chapter members are planning to attend the Regional in Nashville in May and then it's on to Florida in July.

In December the *Southeast Chapter* met at the Old Hickory House in Tucker, Georgia. After eating barbeque, election of officers was held: Ricky Kerbow, president; Lynn Moon, vice president; Leon Goddard, treasurer; Betty Goddard, secretary; Sara Moon, editor.

The *Mid America Chapter* held their Christmas party at the Lenexa Senior Center in Lenexa, Kansas, with 39 present. There was a delicious pot luck meal with everyone eating more than they should. A Chinese grab bag gift exchange was held. During the meeting plans were made for the All Ford Show to be held June 1, 1997, at Metcalf South Shopping Center, Overland Park, Kansas. There will be awards for the top 25 vehicles with other special awards. Call Phil, 913/592-3571, or Rick, 913/294-2699, for more information.

The *Music City Chapter* recently held a "Mystery Meal" at Bob and Geri Ferguson's home, and the menu consisted of wigglin' worms, sopper-uppers, and messy squares! Eleven Falcons were parked in the front yard. Vernon Harper won the "Pick of the Litter" award. They are planning to set up an information booth at the Nashville Auto Fest. And, don't forget to start making plans for their Regional on May 23 and 24!

Officers elected to serve the *Blue Ridge Chapter* are Jim Sims, president; Ronnie Garland, vice president; Beth Rogers, secretary; Wayne Lynn, treasurer. Also elected were the Board of Directors: Doug Rogers, Louis Burrell, Russell Kerns, Charles VanPelt, Larry DeYoung, Rick Edwards. They held their Christmas party at their clubhouse following supper at the South House Restaurant.

The *Yankee Chapter* elected the following to serve as officers in the coming year: Richard Brown, president; Georgia Chauncey, vice president; Bruce Bezanson, treasurer; Carol Perry, secretary. They hold their meetings on the first Wednesday of the month at the Capitol Diner in Concord, New Hampshire.

Ode to Fall

Fall is in the air, and the geese are heading south for the winter. Meanwhile, the Falcons have gathered at the country estate of Eva and Joe Heath in the middle of New Hampshire (also known as the middle of nowhere!). And, as usual, the food brought by the members of the Yankee Chapter has been added to that of the Heath's (Eva) to provide the most sumptuous meal one could imagine. In fact, any bear going into hibernation would be pleased for there was enough to last each one of us the whole winter. Not only was the food out of sight, but the cars were equally as scrumptious, with most being Falcons, but also some other Fords and NOT Fords were there. The pictures tell it all. So, as usual, our get together was a great one.

Tech Tip

Eliminating Clutch Pedal Squeak

One source of clutch pedal squeak is eliminated when you make sure that you have the nylon insulator, C1DZ-7A630-A, between the upper extension of the clutch pedal and its assist spring forward hook. This part is illustrated as "insert" in Figure 6 on page 5-11 of the 1965 Falcon-Comet-Mustang shop manual, and is available from Ford dealers for about \$1.25, usually as a special-order item. By the time a car is 20 years old, the insulator has probably broken and fallen out, and the inside of the spring hook then wears directly against the metal of the clutch pedal extension.
